Quality Assurance Policy

Heddle Marine Service Inc. is committed to providing a workplace that is structured around offering quality service and ensuring customer satisfaction.

We can achieve this by providing the highest standard of quality, planning, commitment and training along with excellent procedural control.

Continuous improvement of our services and ensuring that our team is properly trained enables us to provide our customers the best quality of service, in a timely manner, with the most competitive price.

Yours truly,

Shaun Padulo,
President
Heddle Shipyards
